In response to the Office Letter dated June 28, 2004, in connection with the above-identified application, attached hereto is a copy of the executed Declaration for Patent Application which was filed in the parent application in compliance with 37 CFR 1.63, it being noted that an incorrect declaration was inadvertently associated with the application at the time of filing of the continuation application, which in effect resulted in the continuation application being filed with a declaration. Please charge any shortages in the fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (501.40459CX1) and please credit any excess fees to such deposit account.
